

E-Statement Disclosure

Thank you for your interest in receiving your statements through the MyKeptData.com service available via the Internet. We are pleased to offer this service to you at no additional cost. This service will let you obtain your statement faster and it avoids the risk that your statement will be lost in the mail or stolen from your mailbox.

Please provide us with any changes in your e-mail address in the future. You may contact us in person or by writing to info@affinitycuia.org or call us at 800-343-1028.

Please memorize your password or keep it in a safe place. If in the future, you believe your password is no longer secure, please contact us to arrange for a new password. Your account information will not be shared by the credit union with any other companies.

If after using the MyKeptData.com service to obtain your statements you decide you want to return to receiving your statements in the mail, simply contact us.

Your online statements will be stored in a secure online "vault" for five years from the date your MyKeptData.com account is activated.

You will be able to print out your statement on the MyKeptData.com site. This print out will be in the same format and will contain the same information as the statement you would have received in the mail. Simply contact us if for any reason you want us to mail you a copy of your statement.

To gain access you're your MyKeptData.com statements you will need a computer with Internet access. You will need to use as an Internet browser either Microsoft Internet Explorer version 5.5 or higher or Netscape version 6.0 or higher. You will also need to install Acrobat reader version 6.0.1 or higher to view your statements. The MyKeptData.com site includes links to sites from which you can download all of the required software. Periodically you may receive promotional information from the credit union on its products, services or interest rates.
